## Re-cre8 Joins City of Toledo's Recycling Collection Events to Promote Sustainability

Toledo, OH — Re-cre8 is proud to announce its participation in the upcoming Recycling Collection Events organized by the City of Toledo's Division of Urban Beautification. These community-focused events aim to promote environmental responsibility and sustainable practices across Toledo.

As a dedicated advocate for sustainability, Re-cre8 is excited to collaborate with the City of Toledo and fellow recycling organizations in a shared mission to encourage proper waste management and reduce environmental impact. Our involvement reflects a continued commitment to supporting eco-conscious initiatives that benefit both the environment and the community.

"Participating in this initiative presents an incredible opportunity to engage with local residents and organizations who are equally passionate about environmental stewardship," said a spokesperson from Re-cre8. "We look forward to contributing to the success of these events while learning from others and sharing our own sustainable practices."
